

## Governor Introduction

### Jeanette Evans

Hello, my name is Jeanette Evans and I am the school Bursar for Norton Canes High School and maintain the role of Support Staff Governor.

I was appointed as the school Bursar in September 2012 and became Support Staff Governor in the spring 2014. My job role is predominately finance, setting, running and ensuring we have a substantive budget. My other duties include being Health & Safety, Facilities and Estates Manager, and some HR responsibilities.

I am passionate about sharing our unique school ethos, values and our school vision. It is important to me to promote our school and ensure all our students get the best opportunities education can offer. Being a governor gives me the chance to contribute in decisions about the school, our students and how best to continue moving forward whilst looking towards the future.
