

Governor Introduction

David While

I joined Norton Caned High School governors as a community governor as I lived in Heath Hayes. I am currently the Vice-Chair of Governors and chair of the Curriculum & School Improvement Committee.

I am also the link governor for ICT and sixth form.

I graduated with a degree in Computer Science from Swansea University before going on to work in the telecommunications industry providing equipment to BT and other telecomms operators.

For the last 28 years I have worked in higher education and I am currently an Associate Professor in the Centre for Cyber Security at Birmingham City University.

My skills and experience allow me to undertake my role as link tutor for both ICT and sixth form. I meet regularly with the relevant staff to look at progress and ensure that the current high standards are maintained. I then report back to the full governing body to address any issues that may have been highlighted.

Outside of work my wife and I run a boarding cattery and grooming business which uses up most of our spare time.
