

Governor Introduction – Paul Hayward

My name is Paul Hayward and I currently have two children attending Norton Canes High School. My son is still at primary school.

When my eldest daughter joined Norton I applied to be a parent governor. This was about four years ago. In that time I have been able to experience the school as a parent and as a governor. I work in education myself and so my strengths are around school improvement and data analysis. It has been a privilege, as a parent and as a governor, to witness the dedication and commitment of the staff and students at Norton Canes High School.
