A new way to record, track and monitor homework at Norton Canes High School.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. This will be on a trial basis for this term during which we will ask for your feedback.

Show My Homework will allow you to see the details of the tasks your child has been set and all their deadlines. We have decided to bring on this system to improve the way we communicate with parents and give you greater awareness into the homework we set.

We'll be launching Show My Homework on 15th May. From this date, homework will be accessible through the online system and app. We hope that this service will improve your child's organisation, time-management and help them to keep on top of their workload. The system provides:

- ❖ 24/7 access
- ❖ Apps available for iPhone, iPad, iPod Touch and Android devices
- ❖ Automated notifications before homework is due

The link for Show My Homework is on our school website home page. Please note you will need to use the filter options at the top of the page to find your child's homework if you do not log in. Alternatively, by logging in using the unique pin code, you and your child will be able to see their personalised homeworks.

Your child has been provided with login codes for themselves and you with this letter. This is linked to your child's homework calendar where you will be able to see your child's To Do list and any homework that is overdue.

To keep up to date on the move please download the Show My Homework app - you will then be sent push notifications to let you know what homework is due. You will also be notified of overdue homework and announcements/events.

If you or your child have any questions or feedback about the service, please don't hesitate to get in touch. There help resources on our school webpage in the information section.

Thank you for your support.

Yours faithfully,

S. Diggory
