OCR Cambridge Nationals Level 2 Certificate in Health and Social Care

CONTACT: MRS GREGORY

This award in Health and Social Care is for students who think they might want to work in a health or social care career when they leave school.

The course is broken down into three units of work.

RO32 - Principles of care in health and social care settings:

This unit explores communication skills and behaviours that are essential for delivering good quality care. Students will learn about how to use verbal and non-verbal communication effectively as well the rights that individuals seeking support from care settings are entitled to and how those rights should be maintained.

Assessment – 1 hour 15-minute exam (worth 70 marks), sat in year 11.

RO33 - Supporting individuals through life events:

This unit looks into how people develop throughout their lifetime, the impacts that difficult or traumatic events can have on development and

support systems that are in place to offer help.

Assessment – NEA

RO35 - Health promotion campaigns:

This unit explores current public health issues and the impact they have upon society. Examples of this could be the child immunisation program carried out by the NHS or the Change4Life campaign to tackle obesity.

Assessment – NEA

What is NEA?

NEA stands for non-examination assessment, also referred to as coursework. This is assessed work that will be completed in school during lesson time and will involve completing a series of tasks that draw knowledge from the learning that has taken place.

What other courses go well with this one?

- History
- English

What can this course lead to?

- Level 3 OCR Cambridge Technicals extended certificate in Health and Social Care.
- Careers in a range of health, social care & child care settings.

Skills you will learn for the future:

- Effective verbal communication
- Presentation skills
- Creative thinking
- Problem solving
- Research and planning
